# Magical Meeting of Life and Nature.

## 200X1200MM

The most important truths are hidden. but this doesn't mean that they don't exist. they are just difficult to find. Geogres is a wood-effect surface contaminated with dusty colours that bring to mind the ancestral charm of the earth and a naturalness made up of sophisticated details.

# A Decor Shining With Flawless Wood

200x1200mm

The naturalness of the series is enhanced by the surface microstructure, perfectly coinciding with the very high resolution graphics, a production synergy that descends from the most advanced digital technology.
